Abstract

An invitation to submit articles for publication in the "Journal of Syrphidae". This is a new and completely free electronic journal (<https://www.syrphidaeintrees.com/jvs/>) launched as part of the Syrphidae Foundation (<https://www.syrphidaeintrees.com/syrphidae-foundation/>). It will cover all aspects of worldwide Syrphid taxonomy, ecology and conservation. The articles, in English, will be published continuously and thus each article constitutes its own volume. A unique DOI number will be generated for each article and, if necessary, also registered with Zoobank to comply with the rules of the ICZN. The publications will be available at <https://www.syrphidaeintrees.com/> and via Crossref (<https://www.crossref.org/>), ensuring that papers are appropriately archived. For more information, or to make a donation, please visit the *JvS* website or send an email to: infojvs@syrphidaeintrees.com
